# 3 SIMPLE STEPS

## STEP 1

### Select the school.

Nearly 20% of U.S. children live in poverty. In northeast Ohio, that percentage is higher.

Think about the children you want to help. Is there a specific county\*, city/town, school district or school?

You can select a school or Coats for Kids can identify a school with the majority of students living in poverty (using data from the Ohio Department of Education), then reach out to school leaders to confirm willingness to be home to a coat closet.

\*Coats for Kids coverage area: Cuyahoga, Geauga, Lake, Lorain, Medina & Summit counties.

# 3 SIMPLE STEPS

## STEP 2

### **Purchase the coats.**

A donation of \$2,500 will provide between 100-125 new winter coats in an assortment of sizes to a school with students in need.

## STEP 3
